Auto Pay using a Bank Draft

Dear Member:

Many Cooperative members have found an easier way of paying their electric bills by signing up for the AUTOMATIC BILL PAYMENT SERVICE. If you wish to participate, complete the Bank Draft Data form below, attach a voided check, and return to the Cooperative. The money will be automatically deducted from your account one to two days prior to the bill due date each month. You will continue to receive your billing each month. A notation on your bill will indicate that your balance will be deducted from your checking account.
