R U R A L E L E C T R I C

## Auto Pay using a Credit Card

Dear Member:

Many Cooperative members have found an easier way of paying their electric bills by signing up for the AUTOMATIC BILL PAYMENT SERVICE. If you wish to participate, complete the Credit Card Data form below and return to the Cooperative. The money will be automatically charged to your credit card one to two days prior to the bill due date each month. The charge will be coded as SEDC on your Credit Card Statement each month, as this is the organization which processes consumer credit card payments made to CBEC. You will continue to receive your billing each month. A notation on your bill will indicate that your balance will be charged to your VISA or MasterCard.
